4 ENROLLED, An Act,

5 To create the construction industry Craft Training
6 Program and the Craft Training Board to be administered within
7 the existing Alabama Building Commission, or successor agency
8 or department; to establish a fee in the amount of one dollar
9 (\$1) per each one thousand dollars (\$1,000) of construction
10 authorized on the issuance of any nonresidential construction
11 building permit in order to implement the program; and to
12 establish and define the powers and duties of the Craft
13 Training Board.

14 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

15 Section 1. For purposes of this act, the following
16 terms have the following meanings:

17 (1) CONSTRUCTION INDUSTRY CRAFT TRAINING FEES.

18 Revenues received by the state in the form of federal, state,
19 local, or private sector grants for the purpose of funding
20 construction industry craft training programs and fees imposed
21 under Section 4 except this subdivision may not be construed
22 as authorizing the collection of fees. No fee from any
23 licensed home builder, as defined in Chapter 14A of Title 34,
24 Code of Alabama 1975; any subcontractor working on a
25 residential construction site including renovations to any

1 residential structure; or from any person or entity
2 specifically exempt under Chapter 14A of Title 34, Code of
3 Alabama 1975, except for subdivision (3) of Section 34-14A-6,
4 Code of Alabama 1975.

5 (2) CONSTRUCTION INDUSTRY CRAFT TRAINING PROGRAM. A
6 program to be administered within the Alabama Building
7 Commission, or successor agency or department.

8 Section 2. The Craft Training Fund is created for
9 the benefit of the State of Alabama and its citizens and shall
10 continue to exist as a special fund in the State Treasury and
11 shall be funded with the construction industry craft training
12 fees and administered solely in accordance with Section 3 and
13 the decisions of the Craft Training Board. The revenue
14 received by the fund shall be invested by the State Treasurer
15 in permitted investments until the Craft Training Board uses
16 money for the purposes established in that section. Earnings
17 on permitted investments shall remain a part of the fund.

18 Section 3. (a) It is the intent of the Legislature
19 to establish and provide for a coordinated effort between the
20 construction industry and institutions of higher education and
21 other entities, including, but not limited to, union training
22 programs, to enhance the availability and quality of programs
23 which promote construction industry craft training and
24 education, and thereby enhance the availability and competence
25 of the work force for supporting the industry.

1 (b) In order to provide for efficient, competent,
2 and resourceful construction industry craft training programs
3 that will deliver the knowledge and skills necessary for
4 persons to learn and meet the skill requirements for a craft
5 and career in the construction industry trades and thereby
6 enhance the development of a quality labor pool to support the
7 construction industry of this state, there is established
8 within the Alabama Building Commission, or successor agency or
9 department, a program to be known as the Alabama Construction
10 Industry Craft Training Program. The program shall be managed
11 and governed by the Craft Training Board which shall consist
12 of seven members selected as follows:

9 Governor from a list of three members, or member
10 representatives, of the Construction Users Roundtable, or its
11 successor, submitted to the Governor by the Construction Users
12 Roundtable.

13 (c) When a craft training board member resigns or
14 otherwise relinquishes membership in the organization that
15 recommended his or her appointment by the Governor, the
16 resignation or relinquishment shall automatically result in
17 forfeiture of membership on the board. Any vacancy on the
18 board shall be filled by appointment by the Governor upon the
19 recommendation of the relevant organization for the remainder
20 of the unexpired term.

12 the board. The membership of the board shall be inclusive and
13 reflect the racial, gender, geographic, urban/rural and
14 economic diversity of the state. The board may also appoint

17 specific labor force problems that may be solved by the craft
18 training program. The advisory committees may be composed of

2 section shall be deposited in the Craft Training Fund and
3 shall be used exclusively at the direction of the Craft
4 Training Board.

5 (d) The proceeds from fees collected and deposited
